Header: The High-Power Passive Subwoofer by Blaze Audio Has Arrived

Body:

Meet the BL18S, the latest addition to the CBL loudspeaker series from Blaze Audio.

Designed for small to medium-sized venues, this high-power passive subwoofer delivers deep low-frequency performance, seamless integration with the CBL series and PowerZone™ Connect amplifiers, and unmatched versatility for hybrid venues.

With casters and handles for portability, the BL18S adapts effortlessly to your venue's needs, delivering powerful sound from ambient background to immersive foreground audio.
